The Federal Deposit Insurance Corporation (FDIC) developed the Money Smart program to help adults enhance their money skills and create positive financial relationships. The Money Smart curriculum helps individuals build financial knowledge, develop financial confidence, and use financial services effectively.

The complete Money Smart program contains ten modules with 1-2 hours of class time each:

- Bank On It—an introduction to bank services
- Borrowing Basics—an introduction to credit
- Check It Out—choosing and keeping a checking account
- Money Matters—how to keep track of your money
- Pay Yourself First—why you should save, save, save
- Keep It Safe—your rights as a consumer
- To Your Credit—how your credit score will affect your future
- Charge It Right—how to make a credit card work for you
- Loan to Own—know what you're buying before you buy
- Your Own Home—what home ownership is all about

New classes will be offered regularly, so check with your Advance Financial representative for featured topics and class times or visit our Web site, www.advancefinancialinc.com.
